KEY DISCUSSION POINTS

MAIN TOPICS

- 1 reponse to SoA statement, to departments
- 2 responding to faculty/admin
- 3 protest on Monday
- 4 own publication

ADDITIONS

- 1.1 let SoA know we will put poster up via email
- 1.2 content of responses don't actually matter - its acknowledgement that students have needs
- 1.3 posting responses affect credibility of Movement and affect view of Engineers/professors/students
- 1.4 must be "intensely explicit" or be disruptive (getting in the way of class, direct protests, posters)
- 1.5 better to go directly to deans to drive faculty action
- 1.6 utilizing faculty mailboxes
- 1.7 Tuesday Nadar Tehrani's All School meeting
- 1.8 Post their faces with empty speech bubbles
- 1.9 take this outside - picket protest outside, posters outside, PCooper statue (use his words, point to Free cooepr/vision)

- 2.1 occupy Dean Buckley's office // enter Monday 6-9 Higher Ed class
- 2.2 "we haven't heard from you, are we going to, let's meet."
- 2.3 when is next faculty meeting - send out email to faculty
- 2.4 pressure him publicly, demand energy and action and transparency

- 3.1 SUGGESTION BOX [Jessica Taesha]
- 3.2 projector // sit/stand on stage facing other way // loud dancing and screaming // pop-up readings
- 3.3 professor changed - Fink to Spritzer
- 3.4 prepare for next next Monday (docs?)
- 3.5 **contact/post alumni student testimonials - plot big ones - tape to back of seats** [mia to contact jackson]
[aya, quincy, leslie, will, mauricio]

- 4.1 publish with The Union (farther reach)
- 4.2 purpose? we already have documents
- 4.3 people (faculty) confused about context of documents previously handed out
- 4.4 consolidate/formate publication
- 4.5 can be one issue or continued
